UNCLE SAM WANTS JUNK METAL SCRAP DRIVE IN NILES

Uncle Sam, through Donald Nelson, WPB chief, and a national advertising agency is using paid advertising in all newspapers in the United States during the last half of July to induce all citizens to donate scrap metal and steel of all types to increase the national "stock pile" of metal for armament use.

At Niles the Chamber of Commerce has taken hold of this drive, is forming a Salvage Committee with President T. C. Wilson as chairman, will designate a Sunday towards the end of this month when donated trucks and workers will pick up scrap metal placed at the curb of every home. and will call at ranches to pick up old mach-inery, machine parts, etc.

The metal so donated by Niles School district residents will be sold, probably to the Pacific States Steel company's junk receiving department, and the proceeds, at Dr. Wilson's suggestion, will be used to provide and equip a Disaster Center at Niles where stretchers, lamps first aid equipment, extra gas masks, etc. can be stored for immediate use. The larger centers have already organized such Centers.

Plans are still in the formative stage. and detailed announcements will be made in the next issue of this newspaper. However the drive must be completed in a hurry, before the end of July, so Niles residents are asked to be "on their toes" and commence gathering now any scrap metal pieces they don't need, such as pieces of water pipe, old tools, garbage cans, old kitchen untensils, farm machinery and parts, old cars and parts, discarded metal furniture, and of course, rubber; but NO newspapers or magazines, ready to be placed at their curb or roadside, on a day to be named, probably the last Sunday in July.

Contractor E. E. Dias and Lumberman George Bonde have agreed to donate the use of a truck apiece for pick-up service. Working with Dr. Wilson on this patriotic project besides Mr. Dias and Mr. Bonde, are Fire Chief Alves, the Bailey Real Estate company, Walter Waynflete and others to be named.

A "Junk Rally" of patriotic citizens is also to be arranged, probably on the collection day when public spirited citizens will be asked to assist in collecting and loading the trucks.

This is not a money-raising scheme for anybody, not even the Niles Chamber of Commerce, which is sponsoring the activity, but will be undertaken as a war project by orders of Uncle Sam.

Further details in next week's paper!

PROFITABLE DRIVE

CENTERVILLE — The scrap metal and rubber drive conducted by the Centerville Lions club here for the past several weeks had yielded a ton of rubber and six tons of metal up to last week, according to Co-Chairmen Jack Rees and Joe Adams. At 1c per pound for rubber and $10 or better per ton for scrap metal. the Lions club will have a sizeable sum to distribute to its pet projects, including the Centerville Boy Scout Troop, sponsored by the club, the Elementary School Junior Traffic Patrol, the Milk Fund and the U. S. O.

Mr. and Mrs. L. R. Dray enjoyed a pleasant trip to Yosemite Valley just before the July 4th holiday. They estimate there were 15,000 vacationers there, with not many out-of-state cars.

CHARGE ACCOUNTS DUE

All individual charge accounts contracted on or before May of this year, with the exception of term installment purchases, are due and payable today to your retailer, wherever he may be. This is according to orders of the Federal Reserve System. All charge accounts over 30 days old, not paid in full by today, will be declared in default and the customer's credit stopped by the merchant holding the unpaid bill. How does YOUR account stand with your retailers?

A.M.A. REQUIRES $60 PER TON TO 'COT GROWERS

SAN FRANCISCO — The Department of Agriculture announced today that canners have been asked to submit bids to the Agricultural Marketing Administration for 840,000 cases of solid pie pack apricots required for Lend-Lease shipment. Bids will be accepted, however, only from canners who agree to pay growers at least $60 per ton for the fruit — orchard run as to size — delivered at the canning plant and used in packing the deliveries made to the AMA.

The offer and acceptance method of purchasing was adopted. AMA officials pointed out, inasmuch as canners did not respond sufficiently to the specified price plan announced June 25 to assure an adequate supply of this pack of canned apricots needed for Lend-Lease shipment.

Marketing officials stated that the revised minimum price of $60 to growers should establish a general average this season of at least $70 per ton — the previously announced minimum — for fruit of the kind normally used by canners in their regular canning operations. This average would meet the minimum provided by Section 3 (a) of the emergency price control act.

The Department further reported today that the recently announced prices to growers for dried cots are being reconsidered by the AMA to determine whether such prices should be revised upward for a better alignment between grower prices for cots used for canning and those used for drying.

The announcement of this purchase offer is expected to assist the apricot industry, pending completion of OPA formula on canned fruit ceilings, in taking care of the peak ripening resulting from unusual hot weather.

AMA officials stated that WPB had given assurance that sufficient tin would be allocated to canners packing the Lend-Lease cots.

GENERAL ORDERS ON CAMP FIRES DURING DARKNESS

SAN FRANCISCO — The Western Defense Command has instructed the U. S. Forest Service that "No campfires will be permitted after dark unless they may be extinguished immediately upon receipt of an air raid warning."

Lt. General John L. DeWitt's orders prohibit campfires at night except where provision is made for immediate receipt of air raid warning signals. Since most camping and picnicking areas in the "great outdoors" are not equipped with air raid warning facilities the order prohibits campfires after dark in virtually all outing regions.

Acting on instructions from the Western Defense Command, Regional Forester S. B. Show announced today that campers and other vacationists in mountain areas are expected to comply fully with Lt. General DeWitt's regulation on campfires and that his orders will be rigidly enforced.

REGISTER NOW!

All persons who have changed their place of residence since the last election must register again before July 16, next Thursday, if they wish to vote at the State Primary Election on August 25. Registration books may be found in Postoffices and with various merchants in the several communities of our Township.

MEETING FRIDAY

CENTERVILLE — The Disaster Coordinating Committee of Washington Township meets tonight (Friday) at 8 o'clock in the Justice Courtroom here with Chairman F. T. Dusterberry hearing progress reports from the various committee heads. Future meetings will probably be held only at the call of the chair, Mr. Dusterberry suggests.

How to Display Ceiling Prices

Ceiling Price may be shown for a group of identical items on the same shelf – such as canned tomatoes.

FARMERS MAY NOW POOL THEIR TRUCK FACILITIES

The California Railroad Commission today removed a major technical barrier to the inauguration of a California USDA War Board plan for cooperative use of farm-owned trucks when it advised the war board that such an agreement among farmers for the movement of each others products and supplies on a non-profit basis "should not be considered in violation of our highway transportation laws."

Farmers have been hesitant to undertake pooling of their trucking facilities as a wartime tire and machine conservation measure because of state regulations subjecting them to special licenses and railroad commission supervision whenever they accepted compensation for the use of their trucks.

The railroad commission's "excellent understanding and cooperation" removes a serious obstacle to cooperative hauling agreements among farmers who are confronted with many problems in moving their crops to market as a result of the Office of Defense Transportation orders effective July 1st, said Dave Davidson, California State USDA Board chairman.

"Although the ODT restrictions do not apply at present to farm-owned trucks used to haul farmers' own goods, the simple fact is that those trucks and tires must be made to last through at least two more years," said Davidson. "There just won't be any replacements for farm trucks, and it will be necessary for farmers to prolong the life of their tires and trucks to the limit. Cooperative hauling is one manner in which this may be accomplished."

BOYS 14 TO 16 MAY DRIVE FARM TRUCKS

In an effort to assist farmers who are forced to rely on youthful workers during the rural labor shortage, the State department of motor vehicles will issue chauffeur licenses to boys between 14 and 18, permitting them to drive farm trucks part time.

Licenses will be issued on application of parents. Regulations will require that the boys drive only equipment owned by parents or employer, drive only on designated rural routes and that they drive only during daylight hours or other hours designated.

The present vehicle code prohibits the issuing of chauffeur licenses to any person under 18, but under the new liberalized policy, youths will be given licenses. They will not be apprehended by members of the patrol, provided they have an operator's license and adhere strictly to all safe driving standards.

NEWARK — Second Lieutenant Davis George Patterson of Newark flew to Fort Momouth, New Jersey, Tuesday night of last week to go on active duty with the signal corps. His many local friends wish him success in his new assignment.

$25 FINE IF YOU DON'T DISPLAY AUTO TAX STAMP

For motorists who failed to comply with the law, Federal $5 use tax stamps will remain on sale during July at first and second class post offices and at all offices of the California State Automobile Association, as well as offices of internal revenue. After July 31 tax stamps will be on sale only at internal revenue offices.

Despite this further opportunity to satisfy Uncle Sam, the Automobile Association advised immediate purchase since, actually, commencing July 1 every automobile or commercial motor vehicle operated without displaying the new red stamp for the 1942-43 fiscal year places the owner in violation of the law.

The Automobile Association stated that advices from Washington, D. C., indicate the Department of Internal Revenue is preparing a program of enforcement and that Federal agents will check on cars not displaying the tax stamp.

The law provides a penalty of $25 fine or 30 days' imprisonment, or both, for failure to pay the tax, and a $25 fine alone if the stamp has been bought but is not displayed on the car.

At Niles the Crane Garage has windshield decalco transfer seals for protecting auto tax stamps on the lower right hand corner of your windshield. This is the official place for mounting them—not on the back of your rear view mirror. Get your's free at the Crane Garage in Niles.

COUNTY JOBS NOW AVAILABLE UNDER CIVIL SERVICE

OAKLAND — The Alameda County Civil Service Commission, Room 205, Courthouse announces the following county positions are open under competitive examinations: Telephone operator-clerk, salary $125 month, last day for filing, July 13, examination held July 17 at 9 a. m.;

Psythiotherapy aide, entrance salary, $165 month; filing closes July 17, examination date to be announced; Radiologist, salary $453.50 monthly, filing closes July 17, examination date to be announced;

Junior typist, salary $100 month; filing date closes July 20, examination August 1; Junior stenographer, $110 month, filing closes July 20, examination August 1.

Full particulars may be obtained by writing or calling at Room 205, Courthouse, in Oakland.

BREAKDOWN . . . !

Because of a mechanical stoppage of the linotype which cost us five hours out of the heart of Wednesday, it became impossible to set all the correspondence from Irvington, Newark, Decoto and Niles in time for this issue.

As much of this correspondence as possible will be used in next week' paper. Sorry! — Ye ed.

Look for it in The Township Register.

HOME CANNED FOOD MUST BE BOILED BEFORE SERVING!

SACRAMENTO — With the increase of home canning this year. Dr. Bertram P. Brown. chairman of the State Council of Defense Committee on Health, and state director of the department of Public Health. today sent out a warning to guard against botulism.

"War-time thrift and Victory Gardens will be responsible for more home canning by housewives than ever before this year," Dr. Brown said. "Botulism, a highly fatal poisoning is caused by home-canned foods."

Dr. Brown says that home-canned vegetables, fruits, fish, meats and animal products can be eaten without danger of botulism if the following simple precautions are observed:

1. Never eat home-canned vegetables, meat, or fish, even in tiny amounts, without first boiling the food for at least 15 minutes after removing it from the container. This must be done because it is not possible to tell that the food is capable of causing botulism by looking at it or smelling it.

If the food is poisonous, even the tiniest amount may cause death.

2. If in doubt about fruits, remove them from the container and boil them. The odors of decomposition will warn you.

3. Never eat any canned food which shows mold growth or appears in any way to be abnormal, such as having a bad odor or coming from a bulged container.

4. Do not feed canned foods suspected of being spoiled to poultry, pets, or other animals.

Illness from botulism usually occurs from 24 to 48 hours after the food has been eaten. This is very different from ordinary food poisoning, due to spoilage. Dr Brown said, which usually occurs from two to four hours after eating.

Symptoms of the malady are also different from other food poisoning. They include muscular weakness, disturbance of vision, loss of ability to swallow and talk. The pulse is rapid and the temperature is below normal. There is rarely any pain or symptom of indigestion. Death is due to paralysis which makes breathing impossible.

"Call a doctor," Dr. Brown said, "as soon as the first symptoms are noticed. Prompt medical care can sometimes save the life of the patient."

OFFICERS DETAIN ATTACKER OF MISSION MATRON

Residents of Washington Township communities were greatly shocked to learn that Mrs. Kathleen Bunting, 24, of Mission San Jose, mother of a 17 months old baby, had been attacked and choked by a 185 pound ruffian on Wednesday of last week at her home.

The plucky woman beat off the intruder, scratched his face and managed to give enough identification, with car license number, to officers so that, two hours later Deputy Sheriffs Ben Olson of Hayward and Henry Vervais of Niles picked up Edward Ernest Bier, 28, at his home on the Jarvis Road in Newark. He is said to be an ex-convict and is being held for investigation.

Mrs. Bunting was working in the kitchen when a man she identifies as Bier came to the house. Asking for note paper to leave a message for her husband who was away at work, he followed her into the house and, according to Mrs. Bunting, began to choke her. She beat him off, inflicting scratches on his face and in the scuffle her 17-months-old baby awoke and began to cry. The man fled.

Bier is married and the father of three children.

SUPERVISORS VOTE $5,000 FOR COUNTY DEFENSE USES

The Alameda County Board of Supervisors last week appropriated $5,000 to be used to provide air raid warning signals and central controls in isolated communities in Southern Alameda County, Supervisor George P. Hellwig is happy to announce.

If any money remains after these signals are installed at Dublin, Sunol, Mountain House and the Alisal School district near Pleasanton, it can be used for other civilian defense expenses in the unincorporated districts of the county,

SEES PLENTY OF ACTION!

MISSION—Mrs. Rose Rogers has received first hand information that her son Clifford, the first of our boys to enlist, was on active duty in the Coral Sea battle and also that his boat (name withheld) stood by to take the boys off the Lexington when it was sunk lately. He is now on another ship and is in splendid health, according to a letter received Tuesday by air. Clifford has seen nearly two years of service and his friends here will be glad to know of his whereabouts.

WESTVACO BEING PUSHED FOR LEAD IN SOFTBALL SKED

NEWARK — During the past week in the Washintgon Township Softball league there have been several changes in the league standings, which indicates that no team is sure of finishing the league in the place they are now situated. Westvaco still holds the league leadership by one game when they defeated Knights of Columbus 2 to 0 on Monday evening. Native Sons and Occidental changed places in league standings when Native Sons won two games last week while Occidental broke even, losing one and winning one game. The Wedgewood club played only one game and climbed from sixth to fifth place in the league standings.

Westvaco softball fans and employees and others are asked to attend "Westvaco night" Monday evening, July 13 at the softball park. Arrangements are being made to surprise the fans that night and give them a good time. It will be a good opportunity for ball lovers to witness one of the best doubleheaders ever played.

The schedule that evening finds Native Sons clashing with Occidental, and in the second game Westvaco takes on Woodmen of the World.

Results of last week's games:

Monday evening:

Westvaco 2	K. of C. 0
W. O. W. 4	Occidental 0

Wednesday evening:

Wedgewood 4	W. O. W. 3
Native Sons 15	Central Chev. 0

Friday evening:

Occidental 10	Central Chev. 0
Native Sons 8	K. of C. 7

Next weeks schedule follows:

On Monday evening there will be two red hot games when Native Sons tangle with Occidental and Westvaco meets W.O.W.

Wednesday evening the two stove plants of the township will meet each other, Wedgewood vs. Occidental, while two second division teams, K. of C. and Central Chev. play in the second game.

Friday evening there will be two good games on the menu when Native Sons entertain W.O.W., and two Newark clubs clash in the second game, Wedgewood with Westvaco.

LEAGUE STANDINGS

Teams	W.	L.	Pct.
Westvaco	8	2	.800
Native Sons	8	3	.727
Occidental	8	4	.666
W. O. W.	7	4	.636
Wedgewood	4	6	.400
K. of C.	3	8	.272
Central Chev.	2	10	.166

AUTOPSY REVEALS POISON IN BODY OF A. E. FRANCIS

CENTERVILLE — Funeral services were held a morning last week at the Chapel of the Palms mortuary here with mass said at 9:30 a. m. at St. Edwards church for the late Anthony E. Francis, 46, Newark civic and fraternal leader who was found dead in his car near Newark on Monday, June 29, at the close of a hot day.

An autopsy was held to determine the cause of his death and laboratory reports showed the presence of poison in his stomach, indicating the deceased may have taken his own life.

He was interred in the Golden Gate National Cemetery in San Bruno with rites of honor accorded by members of the Washington Township Post, American Legion, and the Centerville Grove of Druids. Francis had been a member of both organizations, and was affiliated with the U.P.E.C. and S.E.S. lodges of Newark, the Stove Mounters Union and the Holy Names society of Newark.

Survivors include his widow, Anna, two brothers and four sisters. He was a native of Newark.

Mrs. Lillian McRae, property owner in Niles, was in town Tuesday from her home in San Francisco, in connection with her business interests here.

CITIZENS MUST REGISTER FOR IDENTITY TAGS

NEXT TUESDAY AND WEDNESDAY DESIGNATED FOR GIVING OUT TAGS

CENTERVILLE — Every householder and resident of Washington Township is urged by the District Attorney's office to promptly fill out an identification card for himself and every member of his household and take it to his nearest Elementary Schoolhouse next Tuesday and Wednesday, between the hours of 9 a. m. and 9 p. m. and receive metal identification tags, each bearing a different number for himself and the members of his household.

Township school children who have already been registered and are now wearing their metal tags need not sign up again. The new registration is for adults and others above or below school age, according to F. T. Dusterberry, who is assisting Mrs. W. L. McWhirter, Township Chairman of this activity.

As there are more than 13,000 persons now residing in Washington Townhsip, considerable extra help will be required, as it was during the sugar registration, in order to take care of the large number of registrants during only 24 hours of work.

Block Wardens have been asked to distribute these cards to the households in their block, in order to get even better acquainted with the members of the area for which they are responsible in case of enemy activity.

The name of Mrs. Carl Christensen for Irvington was inadvertently omitted among the list of community chairmen published last week.

Other community chairmen, assisting Mrs. McWhirter in this important task are:

Alviso District: Mrs. Frank Madruga;

Alvarado: Mrs. Earle Hellwig;

Centerville: Mrs. Fritz Waltenberger;

Decoto: Mrs. Louis Musick;

Irvington: Mrs. Carl Christensen;

Mission San Jose: Mrs. Cyrus Solon;

Newark: Mrs. Samuel Scott;

Niles: Mrs. A. J. Petsche;

Warm Springs: Mrs. Louis Maffey.

If for any reason you do not receive registration cards, one for yourself and each member of your household, from a Block Warden or someone else, be sure to go to your nearest grammar school by Wednesday of next week and sign up there and get your tags.

It is District Attorney Ralph Hoyt's objective to have every person residing in Alameda County registered and wearing a tag before the end of next week.

SERVICES HELD AT GRIDLEY FOR DROWNING VICTIM

NEWARK — Final rites for Arthur Borges, 14, Newark boy who was drowned in a slough near the Dumbarton Bridge on June 30 were held last Friday at Gridley. The Rosary was recited at the family home here last Thursday night. The Berge Mortuary was in charge of arrangements.

The only survivor is his mother, Mrs. Mary Borges. His father was killed in an auto-train collision near here three years ago.

Coming Events

FRIDAY

8 p.m. Township Defense Coordinating Committee meets at Centerville Justice Court.

SATURDAY

Holy Ghost fiesta at Newark.

SUNDAY

Holy Ghost fiesta at Newark.

MONDAY

7 p.m. Westvaco night at Township Softball games, high school field at Centerville.

TUESDAY

9 a.m. to 9 p.m. All Township residents must register for Identification Tags at nearest elementary schoolhouse.

7 p.m. Lions Club dinner and installation at Centerville.

WEDNESDAY

9 a.m. to 9 p.m. All Township residents must register for Indentification Tags at nearest elementary schoolhouse.

THURSDAY

Last day to register if you wish to vote at the Primary Election on August 25.

WILL YOU HELP THE AIR WARNING SERVICE?

Because of men going into service and many women observers now working in the fruit, the Air Warning Service Posts, particularly at Niles are finding themselves short-handed and in need of more observers, Township Chairman Jack Vieux informs this newspaper.

With the consent of your Chief Warden, men who are Air Raid Wardens can stand a shift or two every week, because, in case of an alarm, the chief observer has to take charge at once at the Listening Post, thus releasing any Air Raid Warden then on duty, for his regular raid duty in his block.

Chief Observer Kenneth Green at Niles says there is a regrettable attitude abroad that, so long as your neighbor and his wife are standing watch, you and your wife feel "That's just fine . . there is no need for us to help." In other words: "Let George do it."

This is scarcely the proper attitude in these troublous days, when there is a place for every single person in the extensive civilian protection program now fully established in all our communities.

WHAT ARE YOU DOING TO HELP THE LOCAL CIVILIAN WAR EFFORT?

If you are not now engaged in the fruit, in first aid, or some other worth-while defense activity, by all means sign up at the Vieux Electric company in Niles, or at any of the other Township Observation Posts for duty as a watcher. Only four hours per week is required, although there is no ruling against any one putting in two or more shifts per week.

THIS IS WAR, and there is no room for slackers, even on our peaceful home front. It is better to be safe than sorry! — W.W.

—ww—

ARE YOU A GOOD CITIZEN?

California's registration of voters is at a level far below that of two years ago. San Francisco's registration is down 10 per cent, Los Angeles has dropped 13 per cent, San Diego 13.4 per cent, Sacramento 13 per cent, Marin County 13.2 per cent, Contra Costa County, 4.4 per cent. That is a bad record for California. This is an important general election year, and in a few days — July 16 — the books close for the August primary. Good citizens who read this, and who have neglected to register, will mark that date — and get their names down ahead of the deadline.

— ww —

VOTE OUT STATE INCOME TAX

California citizens have placed upon our November ballot the initiative for repeal of the California State income tax. The State treasury doesn't need income tax revenues, now that it is war-rich and on a cash basis. The State can only pile up unneeded tax revenues as surplus, or spend such revenues on non-essentials, while patriotic taxpayers daily find it more difficult to meet Uncle Sam's very real and urgent war needs for money. Whether or not it shall become necessary to declare a national moratorium on some forms of private debt, it is unquestionably necessary that Californians declare a moratorium on that galling, superfluous State income tax by voting it out of existence next November 3.

—ww—

OUR NEW GOVERNOR

Popping up all over California we observe Democrats declaring their intentions to support Warren for Governor, and justifying their shifts by quoting Roosevelt . . . .

It is the declared motive of the voter when he shifts party allegiance, to support the best man for office. Some of the Democrats in California have satisfied themselves that the best man in the race at this time is Earl Warren. Nobody can quarrel with a man for supporting the best, if he comes by his convictions honestly and on his records.

A sample case is Joseph J. Rosborough, a long-time Democrat and Oakland postmaster for nine years under President Wilson. He declares he is following the example of President Roosevelt in "putting aside party lines for the duration in order to get the best man available for the war's successful conclusion".

—ww—

WASHINGTON, WORLD CAPITAL

The war capital of the United Nations is Washington, D. C. That is obvious to every reader of the news. Chieftains of great nations and exiled heads of crushed nations flock to Washington. China and Australia openly favor American command of the war. This is a situation brought about by emergency conditions.

But after the war is won, after Germany has been disarmed and France is restored to power, Washington will remain the real capital of the world — will grow in world dominance as time passes. That viewpoint is significant because of its source. It is expressed in "The Problems of Lasting Peace," a book just out and written by Herbert Hoover and Hugh Gibson. These men, familiar by experience and life-long study with the massive subject, feel that the American people will emerge from the war with power and responsibility for world leadership.

It would seem logical that the democratic way of life that enabled Americans in less than 170 years to build the greatest and happiest nation the world has ever known, should at last establish a pattern for world civilization.

All the amazing growth and development of the past may seem as a small beginning to men half a century from now. Babies are born into a world most troubled today — but ahead of them lies a century of growth we cannot imagine, a world with its capital on a site that was a wilderness when Rome, Paris and London were old and gray with tradition.

—ww—

VICTORY MAIL FOR SOLDIERS

Well named are the new "V-mail" letters, to be given quick, preferred dispatch to and from all service men stationed outside continental United States. Specially designed paper and envelopes will be distributed free to service men, and may be obtained at home from postoffices. V-mail letters will get there faster; and surely it is a contribution toward victory to speed a cheery letter from home to any homesick boy in the armed services. Hours of waiting around an overseas postoffice must drag like years. Know a soldier out there somewhere? Write him a V-mail letter — today.

—ww—

When in the course of Governor Olson's campaign for reelection the Presidential pat-on-the-back his managers are pleading for, fails to transpire, there will be two reasons why, our spy reports, and the public may take its pick: 1. Roosevelt is too busy winning a war for the nation, to be diverted by State politics. 2. Roosevelt is too sure a statesman not to sense a shift in public sentiment — and too good a politician to go out on a limb for a candidate who's slipped!

—ww—

THE JAPS CAN READ!

It is something of a coincidence that, right outside of Seaside, Ore., recently shelled by a Jap sub, stands a signpost on which appears: "Seaside has everything but war. If you want to fight, go to Shanghai, 5,703 miles; Tokio, 4,777 miles; London, 4,782 miles; Singapore, 8,057 mles; Berln, 5,041 miles." — Pleasanton Times.

—ww—

NO SECOND TERMS for Governors seems to be California's history. During its 93 years of statehood John Bigler earned re-election for a second term way back in 1853. No one succeded in repeating this feat until Hiram Johnson cracked the jinx in 1914.

Now it's a foregone conclusion that Olson, our first Democratic governor in 46 years will be beaten at the polls this fall. Why?

For one thing his opponent Attorney General Earl Warren has filed on the Democratic ticket and he's much more acceptable to the general public than the incumbent, who's record as a war governor leaves a lot to be desired.

No matter how you feel about Olson, be sure you are registered by July 16 so you can vote at the Primary Election on August 25.

That's the part of good citizenship. No use complaining about California politix if you are not interested enough to go to the polls and VOTE when the opportunity offers!

P. S. Report from Sacramento has it that Olson has ordered certain state employes, using state cars, to campaign for his re-election against his economy-minded competitors, who are campaigning in their own cars at their own expense.

Which method appeals most to you, Mr. and Mrs. California Voter?

—ww—

REJOICE THAT we of Washington Township have the hills of Niles Canyon to ward off the summer heat of the blazing San Joaquin Valley. Further — that we have prevailing westerly winds sweeping in from San Francisco Bay and the Golden Gate. When it is 91 degrees in Niles at the lower entrance to Niles Canyon it is 106 in Livermore, only 18 miles away. Livermore, alas, is located on the northwestern rim of the "saucer" formed by the San Sweatkeen Valley.

—ww—

SPEAKING OF rubber salvage: the Pleasanton Times reports that a gravel plant superintendent of their city, who is also a deep sea diver is going down into 20-foot-deep lakes in the gravel beds and is bringing to the surface TONS of tires and other waste rubber which have been dumped into the pits during the years.

Surely this is the "depths" of patriotism!

—ww—

FORMAL INVITATIONS usually bear the initials R.S.V.P. which is French for "please reply." Now these familiar initials have been changed on many group invitations to read: B.Y.O.S.

You guessed it: that stands for: Bring Your Own Sugar!

LETTER BOX

A BOUQUET!

Lincoln, Calif.
July 5, 1942

Dear Mr. Waynflete,

Here are our two dollars for our favorite newspaper. We knew, without discussion, that it was a necessity. It is better than a weekly letter from home, for besides telling us the news about our friends it gives the "W.W." editorials, which we so much enjoy.

With our best wishes,

Sincerely,
The Sladeks.

P. S. Will you kindly address this to Dr. Day?

Thank you.

SMALL GRASS FIRE

The Niles Fire Department was called out last Saturday just before midnight to extinguish a grass fire up Niles Canyon. The fire was not important, although the fire laddies lost some sleep. The men say they do not mind answering calls to real fires at any time of day or night; but to be roused out of sleep for a false alarm is a misery the public should spare them. These men work without pay and merit your coperation!

— Trade at nome! —

GOVERNMENT SOURCES SAY

Army Chief of Ordance Campbell said: " . . . our high velocity 75 millimeter guns in our M-3 tanks far and away outrange the best and latest the Germans have . . . and we can fire this high-velocity 75 when the tank is in motion, which is more than ANY enemy tank, whatever its size, can do. . .

"The so-called new German 88-MM gun is about as secret as a daisy water pistol. It has been known to us and our allies for at least 10 years. We out match this gun with several of our field and anti- tank guns . . .

"The United States can build a better automobile, a better typewriter, a better ice box and we can build, and ARE building, better machine weapons!"

* * *

Price administrator Henderson said consumers may purchase an EXTRA two pounds of sugar between July 10 and August 22, in addition to the basic half-pound-a-week ration. . . . .

The OPA set the quota of passenger automobiles for rationing during July at 25,000, . ., which will reduce the original inventory of about 402,000 cars to about 260,000.

Between July 9 and August 31 the office will realse 230,000 bicycles for rationing, chiefly to defense workers.

* * *

Transporation Director Eastman banned for the duration all autobile, midget car and motorcycle racing meets, effective July 10.

He also asked that state and county fairs be postponed for the duration to help relieve the strain on transporation facilities.

DRAFT BOARD HERE THANKS VOLUNTEERS

SELECTIVE SERVICE SYSTEM
JULY 1, 1942

The Township Register
Niles, California

Will you please publish the following thanks to registrars who assisted in the Fifth Registration.

We wish to thank the chief registrars and all of their assistants for their generous cooperation and willing service in conducting the Fifth Registration on June 30, 1942.

Allen G. Norris
Manley J. Clark
Carl M. Friden

Members of Local Board No. 75, Niles, Calif.

NEW SUBSCRIBERS PAY FOR REGISTER; "FAMILY INCREASES!

The following new subscribers have joined the growing list of paid Township Register subscribers during the past two months:

Mrs. Nancy McGowan, Mission San Jose.
Pvt. A. E. Dutra, Pearl Harbor, T.H.
Frank Inderbitzen, Irvington.
Tony Lucas, Niles.
C. R. Wauhab, Centerville
H. L. Justus, Sacramento.
T. M. Gough, Niles
Mrs. M. Leslie, Niles RFD.
Pvt. Jos. Hediger, c/o Postmaster, San Francisco.
Daniel K. Cross, Irvington.
Pvt. Camillo Ferrari, c/o Postmaster, Seattle.

Other persons have ordered the paper sent to them but have not paid yet, so their names will appear on a future list.

Your editor welcomes these new names to The Register's subscription list and appreciates their "saying it with a check." — W.W.

"BROKEN SERVICE" SAILORS WANTED!

The following announcement is released by W. S. Smith, Chief in Charge of Navy Recruiting in this area:

Immediate advancements in rating for reenlistment of broken-service Navy men are now assured by the Navy Recruiting Department. Just two requirements are set forth: The man must have been honorably discharged between the dates July 1, 1932 and December 6, 1941 and must be less than 50½ years old and physically, morally and mentally acceptable. All former Navy men who meet these qualifications are urged to report to their nearest Navy Recruiting Station.

Technical Sergeant Robert Steinhauer is now stationed in Texas.

MASONIC HOME NEWS

By J. H. HEATH

Independence Day was pleasantly celebrated at the Masonic Home with a program arranged and presented by Supt. J. R. Eubanks and Matron Lord, the gathering being held in the spacious Assembly hall on the evening of the big day.

Besides the large and beautiful flag which is on display there all the time, the hall was prettily decorated with the national colors, featuring shields of red, white and blue at the wall electric light fixtures, and clusters of Stars and Stripes embems under them. The stage was made attractive in offerings of greenery. The center of the platform was occupied by the large flag.

Supt. Eubanks served as Master of Ceremonies, with Matron Lord, Director of Activities, in charge of singing and other details. Outline of the program follows:

TABLEAU, representing the unification of the United States of America and Great Britain in the present war. The representatives of the two nations posing with the colors with clasped hands across the sea. Great Britain was portrayed by Mrs. Ann C. Hoyt, Rio Vista Lodge, No. 208, Rio Vista (Solano County) and Americas by Mrs. Ruth Dupuy, Valle de France Lodge No. 329, Los Angeles. Both were striking figures and were highly complimented.

During the presentation, the assembly led by Matron Lord and the home choir, with F. H. Andrews, Durant Lodge, 268, Berkeley, Home organist, at the piano, joined in the singing of "America." Then followed remarks and reading of the Declaration of Independence by Supt. Eubanks, Community Singing, "Columbia, Gem of the Ocean," led by Matron Lord; Card games, under direction of the executive — Whist, Pin-Wheel, Rummy and Bingo.

Winners for men in whist—L. L. Green, San Miguel Lodge. No. 285, (Paso Robles Inspector District). For women, Mrs. Florence B. Henderson, Morning Star Lodge, No. 68, Stockton. Winners for Bingo, Cora B. Reader and "Pat" Hardin, waitdesses.

Games and dancing occupied the balance of the memorable evening.

On Tuesday evening, L. W. Musick, principal of the Decoto Elementary School, gave a very interesting illustrated lecture on emergency service in case of air raid bombing, together with related activities.

ARMY ENGINEERS NEED SPECIALISTS ON LAND AND SEA

A new command for operation on land and sea is being organized by the U. S. Army Engineers. If you are a specialist in any of the following occupations here is your opportunity to use your skill to the advantage of your country and yourself.

Mechanics (Auto and Diesel); Boatswain; Coxswain; Deckhand; Fisherman; Yachtsman; Oysterman; First Mate; Master Mechanic; Signalman.

These are new organizations and qualified men should find excellent opportunity for rapid advancement. If you have ability in any of these lines the New Engineers Amphibian Command needs you now.

Don't delay, call at your nearest Army Recruiting Office and investigate today.

Army Recruiting Offices are located in San Francisco, Oakland and San Jose.

Dr. and Mrs. Ben Burdo left Monday for Sebastopol where they will reside and where Mr. Burdo will continue his veterinarian work.

Ben Ramer spent Saturday and Sunday with his sister, Mrs. Pete Wegele. Mr. Ramer resides in San Francisco.

Mr. and Mrs. John Wipfli spent Sunday visiting friends in Tracy.

Sidney Guant is recovering from having his finger severed at the cannery on Saturday.

Donald Lemos and Gilbert DeBorba spent the weekend at the Jason cabin at Felton Acres.

NEWARK HOLY GHOST FIESTA THIS WEEKEND

NEWARK — The annual Newark Holy Ghost fiesta will be held this weekend at the Newark Pavilion, which hundreds of people throughout Alameda County are expected to attend.

On Saturday evening there will be carnival attractions and dancing; while on Sunday there will be a short parade from the Pavilion grounds to the church on Dairy Avenue, and then from the church back to the Pavilion grounds. There will be dancing, carnival attractions, and auctioning.

Miss Helen Guardanapo, queen of the Newark fiesta in 1941, has been selected to reign as queen again with her same two sidemaids as in 1941. The fiesta committee consists of Frank Meneze, president; John Costa, vice-president; Manuel DeSalles, secretary; Joe Guardanapo, treasurer and Manuel Martin, marshall.

NEWARK SOLDIER COMMISSIONED AS SECOND LIEUTENANT

NEWARK — Corporal Clarence Martin of the United States Army, son of Bert Martin, arrived home on a 7-day furlough Sunday by airplane, after completing a military course advancing him to the rank of second lieutenant in three months training at Fort Benning, Georgia. His relatives and friends were surprised and happy to hear of his present rank, and hope that Lieutenant Martin continues to advance.

His brother, John is a first class private in the Army stationed at Oakland. In order to receive his commission he had to train fifty men effectively. When Martin returns he will be stationed somewhere in Tennessee.

CENTERVILLE

Miss Maxine Mau
Correspondent

Philip Brazil, son of Mr. and Mrs. Manuel S. Brazil of Centerville has enlisted in the U. S. Navy and is now in training at a shore base in the East.

Mr. and Mrs. Joseph Bauhofer, Sr., are returning today on the train from a very enjoyable two weeks vacation spent visiting in Portland, Oregon.

Ensign F. T. Dusterberry Jr. of Centerville, who is with the Naval Reserve telephoned his parents in Centerville late last week that he was leaving San Francisco soon to report for instruction at Dartmouth, College, at Hanover, New Hampshire by July 15.

Don Leidig of Hayward, past district governor of Lions International will install Jack Rees, president, and other officers of the Centerville Lions Club at a meeting on July 14.

Centerville residents are asked to register either on July 14 or 15 for the distribution of identification disks at the local elementary school.

Word has been received here by Mrs. J. S. Bell that both her grandaughter and grandson have been married. Bettie Mae Bell, only daughter of Mr. and Mrs. Percy Bell of Crocket, became Mrs. Charles Bohling. William Percy Bell Jr., who is stationed at Chanute Field, Ill., where he is attached to a technical air school, was married to Miss Annette Temple at Chicago.

PUBLIC (LEGAL) NOTICE

NOTICE FOR PUBLICATION — ISOLATED TRACT

PUBLIC LAND SALE DEPARTMENT OF THE INTERIOR

U. S. Land Office at Sacramento, California, June 1, 1942.

NOTICE is hereby given that, as directed by the Commissioner of the General Land office, under provisions of Sec. 2455, R. S., pursuant to the application of Josephine Garbini, Serial No. 033682, we will offer at public sale, to the highest bidder, but at not less than $2.00 per acre, at 10:10 o'clock a. m., on the fourth day of August, next, at this office, the following tract of land: NW¼ SE¼, sec. 26, T. 4S., R. 3E., M. D. M., California. "This tract is ordered into the market on a showing that the greater portion thereof is mountainous or too rough for cultivation."

The sale will not be kept open, but will be declared closed when those present at the hour named have ceased bidding. The person making the highest bid will be required to immediately pay to the Receiver the amount thereof.

Any persons claiming adversely the above-described land are advised to file their claims, or objections, on or before the time designated for sale.

Ellis Purlee, Register.

Published in The Township Register, Niles, June 19, 26, July 3, 10, 17, 24, 1942.

MISSION SAN JOSE

Miss Ruth Justus
Correspondent

Funeral services were held at the St. Josephs church on Tuesday morning for one of the town's oldsters. Mrs. Mary F. Vargas, wife of Manuel Vargus and mother of Edward Vargus of the Livermore Highway was laid to rest in the cemetery just outside of town. Many friends and relatives mourn her passing.

William Sullivan, who has been employed at the Dominican Convent for a number of months left to go into defense work in one of our airplane factories.

Mr. and Mrs. O. Henry of San Francisco and Mrs. Mary Strickland of the same city were weekend guests at the home of Mrs. Mary Rhode. Mr. Rhode spent the day here Sunday also, and returned to his city home again.

Mrs. Lilliam Ladigus and Miss Abbie Sunderer motored to San Francisco Saturday to attend the Ice Follies as guests of Mr. and Mrs. Dorhty but were unable to get tickets. They spent some time at the home of Mr. and Mrs. Roscoe Whitesides.

Mrs. Betty Mulcaby and daughter Margaret Jane of New York are spending their vacation at the Mission Hereford Ranch. Mrs. Mulcaby is the former Betty Bunting, daughter of Mrs. Margaret Bunting, owner of the ranch.

On Saturday the Hagstrom Stores of the east bay held their annual picnic at Linda Vista Park and on Sunday the Elks Number 5 of San Francisco held theirs. At the latter there was a very large crowd and every one enjoyed the free eats, games, contests, and dancing.

Frank Ordillo, who was formerly chef at the C. L. Best home writes his friends here that he is located at Treasure Island as a chef for the personnel. He joined the navy a few weeks ago and expects to be located at the Island for the present.

George Erhardt, a marine cook on one of our merchant marine boats is taking a short vacation at the home of Mr. and Mrs. Ernest Frei Sr., while his boat is being made seaworthy again.

Michael Luther, chauffeur at St. Marys of the Palms and Antone Dietl of the Dominican Convent motored to Big Basin where they spent the Fourth of July holiday.

The Misses Gallegos were hostesses to a group of their San Francisco and local friends at an outdoor garden picnic on Wednesday of the past week.

Frank Azevado and his cousin Leslie Callahan both expect to leave for induction into the armed forces on the 16th of July.

George Coefield, who was rather seriously hurt lately by being thrown from a horse, is convalescing at his home here on the Mill Creek Road. He will have to take it easy for some time according to latest reports.

Miss Nelle Warren entertained Miss Barbara Noyes and Miss Vivian Lund of San Francisco at her home Thursday afternoon.

Mr. and Mrs. Andrew Costa accompanied Mr. and Mrs. Frank Mair to the "Pageant of Time" held in the San Francisco Auditorium on Saturday.

Mrs. Florence Mederios and son Joseph spent Sunday at Monterey visiting friends.

Mr. and Mrs. Manuel Simas and family Hazel and Lester spent the Fourth of July in Santa Clara where they were spectators of a parade.

and family spent the Fourth of July holiday at Santa Cruz where they picnicked and swam.

Mrs. Nancy McGowan was surprised by the arrival of Mr. and Mrs. Merlin Williams of Pleasanton on Sunday at her home here with a complete chicken dinner all ready to consume. The Williams spent the day, returning to Pleasanton that evening.

Billie Souza, son of Mr. and Mrs. John S. Souza celebrated his birthday on July Fourth with a picnic given for family and friends at Alum Rock Park.

Mrs. Seretta Wilson and son Bobby and Rita Byrd, baby daughter returned from a trip to Hastings, Nebraska where they visited her mother, Mrs. Kaiser. Shirley, the older sister, stayed at grandma's home for the summer.

Mr. and Mrs. C. P. Bernal and daughter and Mr. Peter Bernal and wife of Oakland spent Sunday afternoon at the home of Miss Abbie Sunderer.

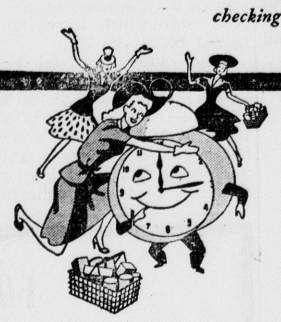
Mr. and Mrs. Frank Recend of Nevada have been vacationing at the home of Mr. and Mrs. Morris Silva. Mrs. Silva is the mother of Frank.

Mrs. Samuel Metzger and son Donnie and daughter, Barbara motored to Santa Monica this week to be with their husband and dad Lt. Col. Sammy Metzger of the United States Air Corp.

MISSION — Miss Fern Elaine Justus who is employed at the Sacmento Air Depot returned to her home for a short visit on Saturday evening and Sunday. On Sunday she entertained as dinner guests, Mr. Neal Hamer and Ernest Paganelli of San Jose, Miss Angie Ferriera of Palm Avenue, Mission, and the Justus family. Miss Lorraine Rogers, Miss Nelle Warren, Orion Dunbar and Vernon Leal all came to the home during the day to say "Hello."

SAFEWAY Homemakers' Guide

★ *Tips worth reading on menu planning* ★ *A list of foods you'll save money by checking* ★ *What one girl learned about so-called "week-end specials"*



Want to know how to save lots of time in your food shopping?

The answer to the above question is —"Plan your menus ahead of time". Planning meals in advance not only saves you time, money and trouble, it is, today, practically your patriotic duty. For today every minute must count—every meal contribute to health and morale. These few tips suggested by the Safeway Homemakers' Bureau, should help a lot in your menu planning.

Tip No. 1—Plan menus several days in advance, a whole week if possible, so you'll see your food picture as a whole. Then you can check to make sure you've included plenty of variety and a balance of foods needed for good nutrition.

Tip No. 2—For good nutrition, each day's meals should include at least a pint of milk for adults, a quart for children; an egg per person, or at least 3 to 4 eggs a week; some enriched or whole grain bread or cereal; a tomato or citrus fruit or their juices; another serving of fruit; at least two servings of vegetables besides potatoes, one preferably green, leafy, or yellow; a serving of meat, fish, chicken, or sea food; some butter or vitamin A fortified margarine; and whatever desserts and special treats you like.

Tip No. 3—Even the best food tastes better served attractively. Be sure to include in every meal a pleasing contrast of shapes, colors, and textures, as well as contrasting temperatures and flavors. A well-known nutritionist has said that if you are color-conscious and include food that's white, green, yellow, and red in each day's menus, your vitamins and minerals will take care of themselves.

Tip No. 4—Plan menus on a regular, definite day in the week, whenever's most convenient for you, and allow yourself plenty of uninterrupted time to do a really good job.

Tip No. 5—It's more fun to plan meals when you're a little hungry, and your ideas may be better then, too.

Tip No. 6—Many homemakers find it easiest to plan breakfasts for the week first, next dinners, and finally lunches or suppers. This scheme lets you check over breakfast and dinner for each day before planning the third meal, so you can make sure it completes the nutritional picture.

Tip No. 7—Decide ahead of time how to serve any leftover foods (with careful planning you won't have many) in appetizing guise.

Do your children cook well?

Read the article in this week's issue of Family Circle Magazine on getting children interested in cooking. Family Circle comes out every Thursday—*free* at Safeway.

COMMITTEE MAKES PLANS FOR LOCAL TAG REGISTRATION

CENTERVILLE — A meeting of town chairmen for registration and distribution of identification tags for residents of Washington Township was held at the residence of the general chairman, Mrs. W. L. McWhirter last Wednesday evening. Also present were representatives of the office of County Chairman Ralph Hoyt, and Red Cross Chairman F. T. Dusterberry and his alternate, M. P. Mathiesen and Mr. Tom Maloney, representing the block wardens. It was decided to request the cooperation of the Block Wardens to assist in distributing the cards to the various residences.

Also decided that Tuesday and Wednesday July 14 and 15 from 9 a. m. to 9 p. m. be set aside as the days and the elementary schools the place where the cards are to be returned and where the tags will be assigned and delivered. The town chairmen are asking that those with experience in sugar and selectee registration, volunteer for service. Where block wardens do not accept this opportunity for service, others are asked to volunteer to deliver the cards to the residences. This is an important job involving much detail work and it is hoped that everyone will cooperate so that the work of the committee may be completed with the least possible delay.

F. T. Dusterberry, Township Chairman, for Red Cross and Civilian Defense.

P. T. & T. OFFERS TALENT RADIO HOUR MONDAY EVENINGS

Continued variety in musical offerings on the Telephone Hour heard over NBC at nine o'clock every Monday night, was assured today for the summer season through enlisting the talents of 10 famous artists as "Summer Stars" for the period July 6 to August 31, inclusive, according to W. B. Sutherland, local manager of the telephone company.

Sutherland said the summer artists for the Telephone Hour include Grace Moore, July 13; Rise Stevens, July 20; Lawrence Tibbett, July 27; Jascha Heiftez, August 3; James Melton, August 10; John Charles Thomas, August 17; Helen Traubel, August 24; and Oscar Levant, August 31.

STARLET TUTORED BY ROPIN GCHAMP

Although Anne Gwynne, who plays the romantic lead in Universal's newest Abbott and Costello starrer, "Ride 'Em Cowboy," coming Sunday and Monday to the Niles theatre, is rated as one of Hollywood's finest horsewomen, she was forced to take riding lessons before starting work in the Western comedy. The reason was that all of her equine experience had been in an English saddle, while her role as the rodeo queen called for use of a Western-style saddle.

For three weeks before the cameras were turned on "Ride 'Em Cowboy," the Texas-born starlet toiled under the tutelage of Sam Garrett, seven-times winner of the world's roping championship and long-time pal of the late Will Rogers.

Johnny Mack Brown and Dick Foran feud over the attentions of Miss Gwynne throughout the unfoldment of the plot of "Ride 'Em Cowboy."

LUNG IRRITANT GASSES DESCRIBED BY AN EXPERT

By Dr. Ward L. Mould, Medical Gas Officer, U. S. Office of Civilian Defense.

(This is the fourth of a series of six articles about war gases, their characteristics, and measures the civilian can take to protect himself against gas injury.)

Most of the known lung irritant gases are "non-persistent" — that is, they are quickly diluted by air to such an extent that they are incapable of causing injury. Chlorine, which has a pungent odor; phosgene, which smells like fresh cut hay; and Chlorpicrin, which has a sweetish odor like fly paper, compose this group.

Of the non-persistent gases the one most likely to be used is phosgene. A moderate amount of phosgene in the area will cause a "catching of the breath" and a sense of tightness in the chest. Other than this momentary discomfort, the individual may have no symptoms for as long as twenty-four hours. If injury has been mild, there may be some increase in the breathing rate. The injured person becomes drowsy and may fall asleep, feeling refreshed on waking. He will probably experience some tightness in his chest and have a cough.

With more serious injury, breathing becomes more difficult and a bluish color may creep over the face, first appearing about the lips.

Lung irritants impair the ability of the lnngs to absorb oxygen. To lessen the victim's need for oxygen, he must be kept at absolute rest and must remain in bed for twenty four to forty-eight hours, even if no symptoms develop.

If symptoms do develop, even those indicating only slight injury the injured person must be cared for by a doctor.

With proper rest and hospital care, complete recovery will occur in nearly all lung irritant cases. **Research shows that, contrary, to the current public conception, those who recover from injuries caused by these gases are no more suscept ble to pneumonia and tuberculosis than persons who have not been gassed.**

Tear gas and sneeze and vomiting gas are non-persistent agents which may be classed as "Nuisance Gases." Symptoms appear quickly after exposure. Tear gas causes smarting and watering of the eyes. The individual should leave the affected area immediately, **facing the wind and keeping the eyes open.** Symptoms will quickly disappear. Eyes should not be rubbed appear. **Eyes should not be rubbed or bandaged.**

Sneeze and vomiting gases cause considerable distress of a temporary nature. Following exposure, the nose should be washed out with a solution containing a teaspoonful of baking soda to a glass of luke-warm water. This will neutralize the agent and reduce discomfort. If severely gassed with these types, a short period of bed rest is required.

Next week — You Can Protect Yourself.

ICE FOLLIES PRESENT NEW TYPE COMEDY

Comedy of a new type is presented by Shipstad and Johnson in their all-new Ice Follies of 1942, now showing nightly at Winterland in San Francisco.

For the first time on any ice surface, a group comedy number, "The Daffy Draftees", is offered in the latest edition of the world's greatest musical revue on ice. It brings together a cast of ten in a hilarious pantomimic skit that portrays the trials and tribulations of eight confused neophytes in Uncle Sam's armed forces, as they answer their first reveille.

A squad on skates is something new under the sun and might well be recommended to the War Department to take its place beside the new ski-troops and parachute battalions that have lately been added to the army.

Mass comedy is one of the most difficult arts in the entertainment world. It requires perfect synchronization and timing so that the gag or gesture of one participant does not nullify or detract from the actions of the others. It took more than three months of solid rehearsals to perfect the new "Daffy Draftees" routine.

Taking part in the comedy number are Bud McNulty, who acts as the drill sergeant; Bobby Blake, Kenny Robertson, Olav Ericsen, Johnny Kinney, Bill Stine, Jimmy Tancig, Bill Hart and Karl Zwack. Portraying the Army Hostess in the skit is Marjorie Lang, who is one of the 42 Ice Follettes.

The climax of the number, a surprise, is fast and laugh-provoking.

Another special daytime showing of the complete night program of the Ice Follies, with all of the 103 international stars appearing has been announced for Saturday, July 18.

The matinee will start at 2:30 p.m.

NILES LOCALS

Miss Rosemary McDonald
Correspondent

Leonard Osmond, well-known insurance agent of Niles has moved from his home on Eye street to 883 Atherton street in Hayward, a card sent this newspaper reveals.

First Lieutenant Lester Dray Jr. now stationed with the infantry in New Caledonia passed a recent examination and is now out of the Officers Reserve and is in the regular army. According to word recently received by his parents at Niles he is acting as a Captain at staff headquarters.

Green's Shoe Repair Shop at Niles moved its machinery over the weekend into the Vieux Electric company's shop four doors ment benefits both Mr. Vieux and down the street. The new arrange- the Greens.

Miss Elizabeth Lindsay of Niles is working in a soda fountain in a drugstore at Hayward during the summer months. Miss Lindsay has been accepted for nurse's training at Highland Hospital, and plans to start there this fall.

Sixty used toothpaste tubes contain enough tin to solder all the electrical connections in a medium sized bomber, The California Legionnaire points out.

Mr. and Mrs. Ernest Martin of Niles recently returned from a delightful two weeks tour of western points of interest which took them as far away as Yellowstone National Park.

Mrs. Walter Waynflete and small daughter took the stage on Tuesday to Cutler, Tulare County, where she attended the funeral on Wednesday of an old family friend who died suddenly on Sunday, leaving his widow and four minor children. Mrs. Waynflete is expected home today.

Mr. and Mrs. E. L. Yarbrough of Niles, accompanied by Miss Irene Springer of Niles and Art Whitlock of Hayward enjoyed a holiday vacation from Saturday until Tuesday visiting Yosemite Valley for their first time.

With all totals not yet in on the Township U.S.O. drive which ended July 4, Chairman R. A. Blacow of Niles advises this newspaper he will have the communities' and Township's total ready for publication in the next issue. Four communities went well over their quota, and possibly others, according to figures so far received.

Mr. and Mrs. Russel Ross, son and daughter of Niles, with Mr. and Mrs. Fred McGraw of Hayward, former Niles residents, returned home last Friday from a delightful trailer-and-tent camping trip of two weeks duration in Yosemite Valley. Ross says he caught three fine limits of trout and hated to leave the Valley.

Reverend Richard C. Day, former Pastor at Niles, is now comfortably situated at 365 Bellevue avenue in Oakland, where he would be glad to hear from or receive visits from his friends and former parishioners in this district. Mrs. W. T. Lindsay visited him on Sunday and said he was feeling fine again.

Mrs. Dorothy Nickel, proprietor of the Niles Sweet Shop, has returned from a two weeks' vacation spent in Missouri, then went up to Hobergs in Lake County to rest up from her trip. She returned to Niles the middle of this week.

No word has been received yet from Pvt. Joe Bauhofer Jr. who left San Francisco two weeks ago for points unknown.

Pvt. Albert Ornellas, who has been stationed at Gowen Field, Boise, Idaho for the past four months is visiting friends here while he is on a twenty-three day furlough.

CENTERVILLE PLAY CENTER ACTIVITIES

The children at the Centerville Play Center enjoyed a picnic at Linda Vista Park on June 15. They enjoyed hiking and swimming. Twelve children participated. Transportation was furnished by Mrs. Angie Ferraris.

On June 29th the children had a picnic at Joyland in Niles Canyon. There were twenty-three in attendance. Swimming was enjoyed by all. A picnic lunch was provided. Transportation was furnished by Mrs. F. J. de Borba, and Mrs. Margaret Racz.

Mrs. Anna Hall is director of the Centerville Playground during the summer months.

MEETING POSTPONED

The regular monthly meeting of the Niles Junior Chamber of Commerce, scheduled for Tuesday evening in the City of Florence Restaurant was postponed until fall, because of conflict with civilian defense and Boy Scout events occurring that same evening, according to President Ed Enos.

IN THE FRONT LINE

She doesn't wear a uniform. But she is in the thick of war activity.

Among the hundreds of calls she handles, many are vital to the movements of fighting forces, to the speed-up of production. Many are vital to the maintenance of business, of home morale, of family ties. Some are critically important to civilian defense.

Doing her part of the telephone job better than ever before is her way of fighting in the FRONT LINE for Democracy.

FRESH FRUITS ADDED TO JULY BLUE STAMP FOODS LIST

Fresh peaches, plums, apples and Irish potatoes have been added to the July list of foods to be purchased with blue food stamps, and fresh grapefruit and dried prunes are the only items removed from the June blue stamp bulletin, according to an announcement made today by K. C. May, Area Supervisor of the Agricultural Marketing Administraton.

Low-income families participating in the food stamp plan will be able to purchase with blue stamps the following foods designated as blue stamp foods for the period to July 31, 1942: fresh peaches, plums, apples and oranges, all fresh vegetables including potatoes, shell eggs, butter, corn meal, hominy (corn) grits, dry edible beans, wheat flour, enriched wheat flour, and whole wheat (Graham) flour. Orange food order stamps may be used to purchase any food. Both stamps may be used in any retail food store which is registered to accept them.

"The addition of fresh peaches, plums and apples to the July blue stamp list offers economical housewives an opportunity to stretch their food budget by purchasing bulk quantities of these fruits for preserving thus providing for winter food needs and relieving the pressure on canned fruits for shipment to the armed forces and the United Nations," Mr. May stated.

NEWARK TO PLAY YANKEES ON SUNDAY

NEWARK — Although the Newark Sportsmen baseball team was idle over the holidays, three players from Newark, Ralph Chapman, Melvin Nunes, and Hubert Jacinto participated in a holiday game played between Richmond and the Marines at Mare Island. Chapman and Nunes for Richmond played beautiful ball and hit the ball hard, the latter getting two hits. The Marines defeated the Richmond Club 12 to 8 in a hectic game.

The Newark team will resume play Sunday at the Newark School diamond when they tangle with the Kennel Yankees of San Francisco.

1000TH MAN "JOINS UP"

The thousandth P. G. and E. man joined up with Uncle Sam yesterday. He is William J. Hickley, aged 26, of 1079 Tennessee Street, San Francisco, and he entered the Navy as a Boatswain's Mate Second Class. He donned the uniform exactly three weeks after his marriage to Miss Sylvia Ritt, also of San Francisco. Hickley has been a P. G. and E. employee since March 18, 1937 — a mechanic at Station "A" in the Potrero, the company's largest steam-operated electric generating plant.

EAT NUTRITIONAL FOOD

The good old Yankee custom of putting up food for the winter is being practised throughout the land this summer. No doubt you too, will be filling pantry and cooler shelves while orchard and field crops are plentiful.

For fruits and berries the shortage of sugar is not too serious a check. Some berries can be put up in natural juices without sugar. Or you can stretch your sugar allotment by the use of honey for sweetening. Jams and jellies or syrup for fruit can be made with all honey or half honey and sugar.

For vegetables do not trust old methods for cold or hot pack. Seek the latest and safest methods from the U. S. Department of Agriculture, your State Extension Service or this company's home economists. It is wasteful and dangerous to can vegetables by improper methods. Food is a munition of war. Buy it right. Cook it right. Can it right.
